

Indigenous Plant of the Darebin Creek

The Darebin Creek Catchment is home to a large number of plant communities made up of over a hundred plant species. This list contains the major indigenous species found in the Darebin Creek Catchment, including plants existing in remnants and as part of the restoration of the Darebin Creek by Darebin Creek Management Committee, local government, Melbourne Water along with volunteers within the broader community.

Trees

Lightwood	(<i>Acacia implexa</i>)
Blackwood	(<i>Acacia melanoxylon</i>)
Silver Wattle	(<i>Acacia dealbata</i>)
Black Wattle	(<i>Acacia mearnsii</i>)
Golden Wattle	(<i>Acacia pycnantha</i>)
Drooping Sheoke	(<i>Allocasuarina verticillata</i>)
River Red Gum	(<i>Eucalyptus camaldulensis</i>)
Manna Gum	(<i>Eucalyptus viminalis</i>)
Yellow Box	(<i>Eucalyptus melliodora</i>)
Swamp Paperbark	(<i>Melaleuca ericifolia</i>)

Shrubs

Gold Dust Wattle	(<i>Acacia acinacea</i>)
Prickly Moses	(<i>Acacia verticillata</i>)
Sweet Bursaria	(<i>Bursaria spinosa</i>)
Rock Correa	(<i>Correa glabra</i>)
Wedge-Leaf Hop Bush	(<i>Dodonaea viscosa</i>)
Hop Goodenia	(<i>Goodenia ovata</i>)
Native Tree Violet	(<i>Hymenanthera dentata</i>)
Victorian Christmas Bush	(<i>Prostanthera lasianthos</i>)
Kangaroo Apple	(<i>Solanum laciniatum</i>)

Grasses, Herbs, Wildflowers & Groundcovers

Cut Leaf Daisy	(<i>Brachyscome multifida</i>)
Sticky Everlasting	(<i>Bracteantha viscosa</i>)
Windmill Grass	(<i>Chloris truncata</i>)
Common Wallaby Grass	(<i>Danthonia caespitosa</i>)
Wallaby Grass	(<i>Danthonia linkii</i>)
Pale Flax-lily	(<i>Dianella laevis</i>)
Black Anther Flax-lily	(<i>Dianella admixta</i>)
Long-hair Plume Grass	(<i>Dichelachne crinita</i>)
Silky blue Grass	(<i>Dichanthium sericeum</i>)
Running postman	(<i>Kennedia prostrata</i>)
Native Wild Flax	(<i>Linum marginale</i>)
Spiny-headed Mat-rush	(<i>Lomandra longifolia</i>)
Common Tussock Grass	(<i>Poa labillardieri</i>)
Spear Grass	(<i>Stipa spp.</i>)
Kangaroo Grass	(<i>Themeda triandra</i>)
Tufted Bluebell	(<i>Wahlenbergia communis</i>)
Ruby Saltbush	(<i>Enchylaena tormentosa</i>)

Clustered Everlasting	(<i>Chrysocephalu semipapposum</i>)
Fishweed Goosefoot	(<i>Eindia trigonos</i>)
Small leafed Clematis	(<i>Clematis microphylla</i>)

Wetland & In stream plants

Water Plantain	(<i>Alisma plantago-aquatica</i>)
Joint Twig-sedge	(<i>Baumea articulate</i>)
Bare Twig-sedge	(<i>Baumea juncea</i>)
Marsh Club Rush	(<i>Bolboschoenus medianus</i>)
Tall Sedge	(<i>Carex appressa</i>)
Short Stemmed Sedge	(<i>Carex breviculmis</i>)
Stream Sedge	(<i>Carex brownie</i>)
Knob Sedge	(<i>Carex inversa</i>)
Common Sedge	(<i>Carex tereticaulis</i>)
Common Spike Rush	(<i>Eleocharis acuta</i>)
Tall Spike Rush	(<i>Eleocharis sphacelate</i>)
Swamp Club Rush	(<i>Isolepis inundata</i>)
Hollow Rush	(<i>Juncus amabilis</i>)
Gold Rush	(<i>Juncus flavidus</i>)
Green Rush	(<i>Juncus gregiflorus</i>)
Broom Rush	(<i>Juncus sarophorus</i>)
Variable Sword-sedge	(<i>Lepidosperma laterale</i>)
Slender Knotweed	(<i>Persicari decipiens</i>)
Common Reed	(<i>Phragmites australis</i>)
Curly Pond Weed	(<i>Potamogeton crispus</i>)
Common Bog-Sedge	(<i>Schoenus apogon</i>)
Water Ribbon	(<i>Triglochin procera</i>)
Streaked Arrowgrass	(<i>Triglochin striata</i>)
Eel Grass	(<i>Vallisneria australis</i>)
